

PRODUCT INFORMATION SHEET

REFLECTIONS

Description:

REFLECTIONS is a breakthrough finish and sealer based on new polymer technology that combines unexcelled shine with a new standard in durability. This new formulation will lay smoothly, produce a very high initial gloss, and resist scuffs and scratches. It can reduce your use of gloss restorers by 60% and burnishing time by 50%. REFLECTIONS is also colorless, clear, and non yellowing. It has good scrubbing , water, and stain resistance so that it remains looking better longer. REFLECTIONS can be used on tile, terrazzo, marble, granite, slate, and other hard floors. When necessary it can be restored with Blind Industries' REBOUND or stripped with EXPOSE or CHECKMATE. It can be burnished with electric or propane burnishers using a natural hair pad.

Benefits:

- Reduces maintenance costs
- Pure acrylic formula resists yellowing
- Will not powder even when dry burnished
- Resists stains and watermarks
- Outstanding propane response
- Rapid drying time with excellent leveling
