

PRODUCT INFORMATION SHEET

SPOTTER

Description:

SPOTTER is a highly effective general purpose spot remover for oil, grease, food, beverage, ink, and many other types of stains. Its non-alkaline formula with a dual enzyme system makes it particularly effective on stains consisting of proteins, starches, or fats. The use of the enzymes also speeds up the action of SPOTTER on the stain while remaining completely safe to the fabric and color. SPOTTER is a truly versatile and effective general-purpose spot remover.

Benefits:

- Can be used as a traffic lane pre-spray at its dilution
- Special solvent blend and dual enzyme system makes it more effective on stains
- Rinses freely and completely
- Leaves no tacky residue to promote re-soiling
- Will not hurt backing, pads, or cause alkaline brown out
- Ideal for use on a carpet care system with Triad and Carpet Protector

Specifications:

Appearance	Clear Liquid
Color	Colorless
Odor	Morning Mist
Specific Gravity	0.995 ± 0.005 @ 20°C
Active Ingredients	22.0% minimum
